

CERTIFICATE OF PARTICIPATION INTRO2ASTRO 2025

This Certificate is issued to

Hakan Deniz

for participating in the online workshop “Intro2Astro”
(Introduction to Astronomy Research) in 2025.

ABOUT THE COURSE

Intro2Astro (Introduction to Astronomy Research) is a free summer workshop designed for undergraduate students aspiring to become professional astronomers. Intro2Astro 2025 will run from **July 1 to August 19, 2025** (8 weeks). We met every Tuesday from 6:00–7:00 PM UTC to discuss the following topics:

- Coding in Python
- How to read and write scientific papers
- Data analysis of real astronomical data
- Research Websites and CVs
- Funded Research Opportunities
- Graduate School Application
- Citizen Scientists Projects

LEARN MORE

You can learn more about the workshop through our website, Github Repo, and Youtube Channel:
